Train Model On IBM

The screenshot displays the IBM Cloud account management interface. The left sidebar contains a navigation menu with options like Account, Account resources, Resource groups (selected), Cloud Foundry orgs, Licenses and entitlements, Tags, Dashboards, Account settings, IBM Cloud Shell settings, Notification distribution list, Classic infrastructure, Subscriptions, Audit log, and Company information. The main content area is titled 'Resource groups' and includes a search bar and a table with columns for Name, ID, and Date Created. A table with one row is visible, showing a 'Default' resource group. The right sidebar shows the user's profile 'Diya B' with links for Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The bottom of the screen shows a Windows taskbar with various application icons and system status information.

Name	ID	Date Created
Default	a27e19f935fb41c6b99958f3c6a3454b	11/15/2022, 9:27:51 PM

IBM Cloud Account Dashboards

Search resources and products...

Dashboards

Create and manage customized dashboards that can be used to offer an organized and relevant workspace. You can share the dashboards with users in your account as a way to group resources for specific projects or teams. [Learn more.](#)
